

# CAMPPOUT 2009

July 24-26, 2009

*You are invited to join us for a laid-back weekend in the woods...*

The Campout will be held at a secluded, wooded camp in southern Minnesota. The scenic site features modern bath & shower facilities, a dining hall, and barracks-style cabins with electricity. If your idea of "roughing it" is going without color TV, don't Panic! At least one of the cabins will be air-conditioned!

It's all up to you on how rough you want it! You may choose to share one of the cabins, or bring your own tent. If you really want it rough, there is limited space for RV's, although we have no hook-ups.

Even though nothing is planned, there is still plenty to do! Volleyball, nature trails and the informative Schell Brewery tour are a few choices. Too energetic for you? How about finding a nice,

shady spot to read a book or catching up with old friends. For those who want to play, you bring your equipment, and we'll provide the space.

The campout fee includes meals Saturday & Sunday, refreshments, and lodging for the weekend. It does not include state park vehicle stickers, (\$5 per night,) which we will have available for you at registration.

Directions to the campsite, maps, and other background information will be sent with the confirmation letter. Transportation from the Twin Cities area to the campsite will be provided upon request. Housing is also available before and after for those arriving from out-of-town.
